# INTRODUCTION TO BRIGHTWATER

## BRIGHTWATER IS AN EXPANSIVE AND TRULY COMPLETE WATERFRONT COMMUNITY

Along the sun-soaked shorelines of Port Credit, this award-winning, thoughtfully-planned, exciting new district honours the rich heritage of the area with enduring values, inspired architecture, unprecedented innovations, and unparalleled urban village charm.

A new legacy is rising here, surrounded by parks and exceptional public spaces, first-class community programming, expansive views and the calming sounds of water. Together these elements perform a background symphony to our moments, our milestones, and our memories. Come home to Brightwater, a Port Credit waterfront community. Life's just brighter here!

And now, the next exciting chapter is here. Bridge House is at the centre of Brightwater, within equal walking distance of the waterfront, parks, trails, shops, cafés and restaurants. Discover opportunities to live well, every day. Whether you're looking to socialize, access transit, explore, adventure, play, dine, or shop, *it's all right here for you – close to home.*

# INTRODUCING BRIDGE HOUSE AT BRIGHTWATER

## INTRODUCTION TO BRIDGE HOUSE

BRIDGE HOUSE  
SOUTH

BRIDGE HOUSE  
EAST

BRIDGE HOUSE  
NORTH

**Bridge House** is the next chapter at Brightwater and introduces a trio of sophisticated and rhythmic buildings to the community. Glass-enclosed pedestrian bridges between the buildings are just one of the many elegant architectural features of Bridge House.

The **19 and 15-storey South and North Towers** offer stunning vistas of Port Credit's extraordinary waterfront landscape, lush trails, and urban promenades. Both towers connect to the curated amenities in the intimate **6-storey Bridge House East**.

A photograph of a modern building with a glass bridge connecting two sections. The building has multiple floors with large windows and balconies. The bridge is made of glass and has a decorative pattern on its side. The sky is blue with some clouds, and there are trees in the background.

“Each glass bridge connects residents to different experiences within the buildings, bringing the outside in through an elemental journey that provides incredible views of the local area.”

- PETER CLEWES, ARCHITECTSALLIANCE

- Prices and specifications are subject to change without notice.
- Floors and specific finishes will depend on Vendor's décor packages as selected.
- The Purchaser acknowledges that variations (including variations in colour, texture and appearance) from the Vendor's samples may occur in finishing materials and features in the unit (including cabinetry in the kitchen and bathrooms as well as floor and wall finishes) due to the normal production process.
- The Purchaser acknowledges that laminate flooring may react to normal fluctuating humidity levels producing gapping or cupping, both considered to be within acceptable industry standards.
- The Vendor will not allow the Purchaser to do any work and/or supply any material to finish the dwelling before the Closing Date.
- The Purchaser shall indemnify and save the Vendor, its servants and agents harmless from all action, causes of action, claims and demands for, upon or by reason of any damage, loss or injury to person or property of the Purchaser, or any of his friends, relatives, workmen, or agents who have entered on the real property or any part of the subdivision or which the real property forms a part whether with or without the authorization, express or implied, of the Vendor.
- The Purchaser acknowledges that appliances, fitting & finishes contained in any model home/suite or sales office are for display purpose only and may not be of the same grade type, or may not necessarily be included in the dwelling unit purchased herein. Decorative and upgrade items are displayed in the vignette or model suite and are not part of the standard unit. Vignette and sales office are for display purposes only.
- The Purchaser shall accept minor modifications to the plan which the developer, municipality or builder may require.
- All plans, elevations and specifications are subject to modification from time to time by the Vendor or as may be required by the Ontario Building Code.
- The Vendor shall have the right to substitute materials for those provided in this Schedule or otherwise represented to the Purchaser in any plans, specifications or other documents, provided that such materials are of quality equal to or better than the material provided for in the plan and specifications. The determination of whether or not substituted materials and products are of equal or better quality shall be made by the Vendor's designer.
- All dimensions, if any, are approximate. Actual useable floor space may vary from any stated floor area (where stated).
- Ceiling heights are approximate and measured from the finished concrete floor slab to the underside of the concrete slab above. In areas where bulkheads or localized drop ceilings are required, the ceiling height will be less than the specified height.
- Floor areas are approximate but measured in accordance with the HCRA Directive on Floor Area Calculations.
- Where the term "or" is noted, this is at the Vendor's discretion.
- Fixtures and capped electrical box locations to be determined by the Vendor.

BRIDGE HOUSE STREET VIEW

## FROM THE THRIVING MAIN STREET TO THE TRANQUILITY OF THE SHORELINE...

Brightwater is not just a place to live, *it's a way of living well.* Connected yet environmentally sensitive design is a key contributor to creating a destination within Brightwater. Thoughtful community landscaping practices include sloped naturalized channels to facilitate water movement and a unique bioswale system that follows Low Impact Development

(LID) practices and energy conservation strategies. Shopping within Brightwater and on-site amenities are more than a convenience here – they reduce dependency on motor vehicles for day-to-day errands and encourage a vibrant, pedestrian streetscape. Connected and sustainable experiences offer a better tomorrow for everyone.

### BRIGHTLIVING

With 18 acres of new and open green spaces, including a 9-acre waterfront park, European-inspired promenades, pedestrian mews and public squares, Brightwater sets a new standard in healthy and sustainable living.

The result is a complete living experience that encourages connection to the land, water, and each other. From enhanced transit access to Smart Home features, BrightLiving ensures residents enjoy convenient, environmentally-friendly lives.

# A BRIGHTER WAY TO LIVE

### In Brightwater

**Community Mobile App** - The Brightwater community app enhances the community by providing digital concierge services and connecting residents with property managers and community-wide newsflashes. Residents will be able to book amenities, get notifications about parcel deliveries, and more.

**Over 1,000 new trees and Native Species Planting** - Extensive planting across the Brightwater community will reduce CO<sub>2</sub> emissions while providing shade, water absorption, and beautiful views.

**Brightwater Eco-Friendly On-Demand Shuttle** - The community shuttle will allow residents to travel more seamlessly and commute to Port Credit GO Station without needing to use a car. Brightwater is thrilled to encourage alternative transit solutions across the community.

**Limiting Light Pollution** - As a measure to pursue LEED ND certification, we are taking action to reduce light pollution through the development.

### Your Neighbourhood

**Low-Impact Development (LID)** - Brightwater has systems in place to use or mimic natural processes that results in less run-off of rainwater. This will reduce the chance of flooding during heavy storms, lessening the burden on the municipal sewer and water treatment systems.

**MiWay Bus Loop** - Hop on and hop off at Brightwater with a proposed MiWay bus loop serving the community.

### Your Building

**License Plate Detection**

**Smart Parcel Storage**

**Amenity Wifi to complement the in-suite internet package**

**Building Leak Detection** - Avoid the hassle and costly repair bills that come with leaks with alerts about abnormal usage.

### Your Home

**Interchangeable Swidgets** - Customizable wiring devices that allow you to connect, program or automate your home.

**EV Ready Homes\*** - With underground parking areas equipped to handle electric vehicle charging stations, Brightwater is making the transition to electric vehicles easier than ever.

**Smart Thermostats** - Control your suite's temperature remotely to ensure energy costs are reduced while away.
